NOTES

1. All prices shown are LIST. Please contact Brooke Cutting Tools for Company discounts.
2. The Cold Saw Blades are available in either a "BRIGHT" finish for NON-FERROUS metals or with a "BLACK" finish, also called "SURFACE or VAPOR TREATED", for ferrous metals.
3. All of our blades **UP TO 315mm** are available with special coatings such as **TIN** or **TICN** etc. Pricing is included.
4. All blades have "UNIVERSAL" pinhole configurations to accommodate the most popular sawing machines.
5. Special Hook Angles are also available at **NO ADDITIONAL CHARGE**.
6. Brooke Cutting Tools USA maintains a complete sharpening department with an average turn-a-round time of **24 – 48 HOURS**.
